

Dear Member,

Thank you for your loan request. The following information and instructions should be read carefully in order to process your application

It is a requirement that all loan applicants be active members of The United Federal Credit Union and that they maintain a minimum share saving account balance of \$50.00. This account must be kept active by depositing to the account at least once yearly to avoid an inactivity fee of \$2.50 per month. It is our hope that your participation in a share savings program will help you to build toward financial stability as well as satisfy our loan requirements.

All loan payments can be payroll deducted. You may call and find out if the company you work for is on our payroll list. The payroll deduction is deposited into your share account and then transferred to your loan account on the due date each month. Normally, your monthly deduction is increased by the amount of your loan payment. This is done so you can meet your monthly loan obligations as well as continue to save regularly. You may also choose to mail your loan payment directly to the Credit Union using a loan payment coupon book or you can have your payments set up on "AutoPay".

The majority of applications have decision rendered within 48 hours of receipt. If your loan request is approved, you will receive further instructions and documents pertaining to the finalizing of the transaction. When the documentation is signed and returned to us, we will then forward your loan proceed check to you, your car dealer (if applicable), your creditors (if applicable), or deposit it into your share savings or checking account. If your loan is declined, you will receive written from us.

APPLICATION INSTRUCTIONS

1. Complete the ENTIRE application as fully as possible
2. The question "Purpose of Loan" must be answered with an exact reason—"Personal" is not acceptable. Please be specific.
3. Include the address, telephone number, and payment amount of your creditors.
4. Be sure to sign and date the application. If a joint application, BOTH must sign.
5. You must also submit copies of your last two pay stubs with your application in order for us to verify your wages.
6. Submit the above along with an Application Fee of \$30.00 or, if available, indicate from which account the fee should be taken.
